CME Accreditation: The University of California, San Diego School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of California, San Diego School of Medicine designates this live activity for a maximum of **1.0 AMA PRA Category 1 Credit™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Objectives:

- To provide education regarding diagnosis, course and treatment of children with autism disorders
- To provide information on the latest research into causes of autism and effective treatment
- To increase competency in understanding the complex community systems of care for children with ASD and to improve referrals
- To improve care for children with ASD through development of better understanding of identification and screening for the ASD, and services available for these children and families.

Target Audience: Medical professionals nurse practitioners, neurologists, developmental pediatricians, psychiatrists, community practitioners, psychologists, social workers, and behavioral specialists who specialize in autism.
