

Ready to receive care from the convenience of your home?

Your physician can address the majority of your medical issues, prescribe new medications and refill medications!

Here are some benefits of telemedicine:

Reduce your child's anxiety by offering medical care at home

Reduce burden of travel and traffic

Avoid packing up all children's necessities to leave the house

Save travel costs, such as parking and accommodation

Wait in the comfort of your home

Video visits are offered by most specialties for a diverse variety of medical issues

Supplemental to in-person visits

Improve access for community members far from RCHSD
