

# **PGY2 Oncology RESIDENCY CHECKLIST**

\*\*\*\* Bring Residency Checklist to each RSC meeting and Quarterly Evaluation\*\*\*\*

PGY2 RESIDENT NAME:
---------------------

I received and understand the RCHSD Residency Policy Manual			
Pre-residency surveys (RCHSD specific & Pharmacademic)			
<b>Acute Care rotations:</b>			
REQUIRED ROTATIONS	Date Completed	ELECTIVE ROTATIONS	Date Completed
Orientation/ Training		Medication Safety	
Oncology – solid tumors		Pain Service	
Oncology – leukemias,lymphomas		Informatics/Beacon EPIC	
Oncology – hematology			
Stem Cell Transplant			
Research Time			
Onc Investigational Drug Services			
Infectious Disease/AMS			
Hematology/Oncology UCSD Adult-Inpatient			
<b>Longitudinal rotations:</b>			
<b>Ambulatory care experience</b>			
	Hematology Oncology Clinic		
<b>Research</b>			
<b>Central Pharmacy Operations/ Staffing</b>			
	2 weeks, then two weekends in a 6-week period, in addition to one major and one minor holiday		
<b>Drug Use Evaluations Present at Pharmacist Forum / P&amp;T Committee Meetings for Hematology Oncology Meds</b>			
<b>Research Project- Present at HOPA Annual Meeting.</b>			
<b>Other requirements:</b>			
Peds Pharmacotherapy Lecture/Workshop Oncology(Fall)			
Attendance and participation at ASHP conference for residency recruitment , if determined appropriate			
Understanding of required hematologic and solid malignancies, supportive care/symptom management, Transplantation listed in PGY2 CAGO (Adult and Pediatric)- Checklist in Appendix 1			
Citi Training Certificate (Expires q 3 years)—Expires_____			
Hematology Oncology Association Meeting Attendance/Presentation (HOPA)			
Residency project completion ( <i>by end of residency</i> )			
Publication format final manuscript ( <i>by end of residency</i> )			
Oncology Parents Community Ed—(March)			
Resident mastered skills of writing and evaluating a chemotherapy order			
Resident manages preparation, distribution and disposal of hazardous medications			
Completion of PALS			
Completion of pharmacist competencies ( <i>discussion, RCHSD learning center</i> )			
Completion of all learning experience evaluations ( <i>self, preceptor, Learning Experience</i> )			

# **PGY2 Oncology RESIDENCY CHECKLIST**

\*\*\*\* Bring Residency Checklist to each RSC meeting and Quarterly Evaluation\*\*\*\*

	Active participant/mentor in PGY1 and Pharmacy Student education program	
	Meeting with preceptor and/or students at least once a week	
	Evaluation of students and Co-evaluation of PGY1 Residents on Heme-Onc Rotation	
	Assist with ADR work-ups from Hematology/ Oncology.	
	Pharmacokinetic evaluations on patients in current rotation and on weekend as needed.	
<b>Committee Involvement: PGY2</b>		<i>Date Completed</i>
	Medication Safety Committee ( <i>attendance when hem/onc issues to be discussed, at least quarterly</i> )	
	UCSD Tumor Board (once monthly?)	
	Pharmacy & Therapeutics Committee ( <i>bi-monthly attendance</i> )	
	Drug Use Evaluation ( <i>complete a minimum of one DUE</i> )	
	Formulary Review (monograph presentations)	
<b>Minimum of 2 in-services:</b>		
	<i>Pharmacy</i>	
	<i>Nursing or Physician</i>	
<b>Minimum of 2 informal presentations:</b>		
	<i>(may substitute with Journal Club)</i>	
<b>Minimum of 4 formal presentations:</b>		
	<i>(Powerpoint)</i>	
	<i>(Powerpoint)</i>	
<b>2-Journal clubs:</b>		
	PharmAcademic evaluations completed for all learning experiences:	
	Post-residency survey ( <i>RCHSD specific &amp; PharmAcademic</i> )	
	Rating of "Achieved" on all R1 objectives	
	Rating of "Achieved" on 85% of remaining objectives	
	No rating of "Needs Improvement" on any objectives

# **PGY2 Oncology RESIDENCY CHECKLIST**

\*\*\*\* Bring Residency Checklist to each RSC meeting and Quarterly Evaluation\*\*\*\*

## APPENDIX 1

<b>Pediatric Oncology Pharmacy-focused Programs</b>		
<b>Hematologic Malignancies</b>		
Required	<i>Date Completed</i>	<b>NOTES (Rotation)</b>
Acute lymphoblastic leukemia (ALL)		
Acute myelogenous leukemia (AML)		
Chronic myelogenous leukemia (CML)		
Hodgkin lymphoma		
Non-Hodgkin lymphoma		
<b>Elective</b>		
Amyloidosis		
Chronic lymphocytic leukemia (CLL)		
Multiple myeloma		
Myelodysplastic syndromes		
Myeloproliferative disorders		
Primary CNS lymphoma		
Waldenströms Macroglobulinemia		
<b>Hematological Disorders</b>		
<b>Elective</b>		
Aplastic anemia		
Hemophilia A		
Hemophilia B		
Hemolytic anemias		
Immune thrombocytopenic purpura (ITP)		
Iron deficiency anemia		
Paroxysmal nocturnal hemoglobinuria		
Porphyria		
Sickle cell anemia		
Thrombotic thrombocytopenic purpura (TTP)/Hemolytic Uremic Syndrome (HUS)		
Von Willebrand's Disease		
<b>Pediatric Malignancies</b>		
Required	<i>Date Completed</i>	
Acute lymphoblastic leukemia		
CNS Tumors		
Ewing sarcoma		
Hodgkin lymphoma		
Neuroblastoma		
Non-Hodgkin lymphoma		
Osteosarcoma		
Wilms tumor		

# **PGY2 Oncology RESIDENCY CHECKLIST**

\*\*\*\* Bring Residency Checklist to each RSC meeting and Quarterly Evaluation\*\*\*\*

Elective		
Retinoblastoma		
Rhabdomyosarcoma		
<b>Supportive Care/ Symptom Management</b>		
<b>Required</b>	<i>Date Completed</i>	
Anemia		
Constipation		
Diarrhea		
Extravasation		
Fatigue		
Hypercalcemia of malignancy		
Hypersensitivity reactions		
Infection prophylaxis and management		
Malignant effusions		
Mucositis		
Myelosuppression		
Nausea and vomiting		
Neutropenic fever		
Organ-systems toxicity (i.e. - cardiotoxicity, dermatologic, hepatotoxicity, nephrotoxicity, neurotoxicity, pulmonary)		
Pain management		
Radiation complications		
Spinal cord compression syndrome		
Superior vena cava syndrome		
Thrombosis		
Tumor lysis syndrome		
Elective		
Infertility		
Secondary malignancies		
Survivorship		
<b>Transplantation</b>		
<b>Required</b>	<i>Date Completed</i>	
Autologous hematopoietic stem cell therapy		
Infection prophylaxis		
Mobilization		
Preparative regimens		
Vaccinations		
<i>Allogeneic hematopoietic stem cell therapy (This required area may be accomplished through didactic discussion, reading assignments, case presentations, written assignments, and/or direct patient care experiences.)</i>		
Graft-versus-host disease (prophylaxis, management of acute and chronic)		
Immunosuppression		

# **PGY2 Oncology RESIDENCY CHECKLIST**

\*\*\*\* Bring Residency Checklist to each RSC meeting and Quarterly Evaluation\*\*\*\*

Infection prophylaxis		
Preparative regimens		
Sinusoidal obstruction syndrome		
Vaccinations		
<b>Solid Malignancies</b>		
<i>(These experiences may be accomplished through didactic discussion, reading assignments, case presentations, written assignments, and/or direct patient care experiences.)</i>		
<b>Required</b>	<i>Date Completed</i>	
Breast cancer		
Colon cancer		
Melanoma		
Non-small cell lung cancer		
Ovarian cancer		
Prostate cancer		
Small cell lung cancer		
<b>Elective</b>		
Anal cancer		
Adult sarcomas		
Bladder cancer		
Carcinoid cancer		
Carcinoma of unknown primary		
Cervical cancer		
CNS malignancies		
Endocrine tumors		
Endometrial cancer		
Esophageal cancer		
Gastric cancer		
Germ cell tumors		
Head and Neck cancer		
Hepatobiliary cancers		
Mesothelioma		
Non-melanoma skin cancers		
Pancreatic		
Rectal		
Renal cell cancer		
Thyroid cancer
