

Keep Your Medi-Cal Insurance

Make Sure County Has Your Correct Contact Information

During the COVID-19 pandemic, Medi-Cal beneficiaries could keep their health insurance benefits despite any changes. Effective 4-1-23 California will restart yearly Medi-Cal eligibility reviews using available information to decide if you and/or your family member(s) still qualify for coverage. Counties will mail you a letter about your Medi-Cal eligibility and you may need to complete a renewal form. You will be due to renew your Medi-Cal in the same month you most recently renewed or were first eligible for Medi-Cal and will receive information regarding your renewal approximately 65-80 days prior to the last day of your renewal month. To receive this important information ensure your county has your current contact information. Visit <https://www.dhcs.ca.gov/pages/keep-your-medi-cal.aspx> and complete the 3 quick steps to ensure you are ready to renew.
