

Rady Children's Hospital-San Diego and the UC San Diego School of Medicine invite you to the

## The Division of Child & Adolescent Psychiatry Virtual Grand Rounds

on Tuesday, May 11, 2021 ~ 1:00pm-2:00pm PST

Guest Speaker: **Shavon Moore, MD**

### **Topic: Cultural Considerations in The Child Welfare System: Past, Present and Future**

**Shavon Moore, MD**, graduated from the University of Nevada with bachelor's degrees in Psychology, Biology and a minor in Chemistry. She continued to the University of Nevada, Reno School of Medicine to earn her medical degree, which she completed in 2016, with a scholarly concentration on Medical Education. Shavon completed her Adult Psychiatry Residency at UCSD and continued to the Child and Adolescent Psychiatry Fellowship, currently serving as Co-Chief. Dr. Moore is a member of the American Psychiatry Association, American Academy of Child and Adolescent Psychiatry, and the International Honor Society in Psychology. Shavon aspires to be a knowledgeable and impactful clinician with a demonstrated history of working in the mental health care industry with underserved, uninsured, and adolescent populations.

Continuing Medical Education

#### **Course Description with Target Audience:**

A broad look at the history of the child welfare system's inception, the disproportionality seen with families of color interactions with the system.

We will also explore how mental health providers can best navigate this complex system for the betterment of their patients and their families.

#### **Objectives:**

At the conclusion of the presentation participants will understand.

1. The history behind the formation of the child welfare system (CWS)
2. The disproportionality in the child welfare system for families of color in nationwide and in San Diego
3. Medication management and informed consent for mental health providers who interact with children in the CWS. Future directions and resources available in San Diego for foster children & their biological/adoptive families
