Charles H. Zeanah, Jr., MD

Guest Speaker

Dr. Zeanah is Mary Peters Sellars-Polchow Chair in Psychiatry, Professor of Psychiatry and Pediatrics, and Vice-Chair for Child and Adolescent Psychiatry in the Department of Psychiatry and Behavioral Sciences at the Tulane University School of Medicine in New Orleans. He also directs the Institute of Infant and Early Childhood Mental Health at Tulane. He has studied the effects of adverse early experiences on development throughout his career, including trauma, abuse, and neglect. He also has studied interventions designed to enhance recovery following exposure to adverse experiences and has published widely on these topics.
