

Make check-in easier for you!

Complete check-in tasks from home up to 48 hours before your appointment.

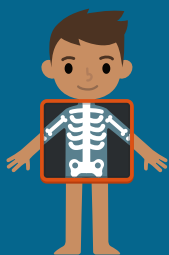

By logging into MyChart via mobile or computer and launching **Ez Arrival**, you can:

Confirm or make updates to your child's personal information

Save time during your visit by confirming or updating your child's medications and allergies

Let your healthcare team know about changes to your child's current health concerns

Complete pre-visit health & travel screenings

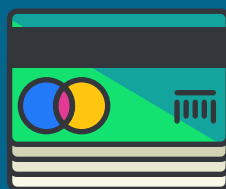

Skip filling out paper forms in the waiting room & complete pre-visit questionnaires assigned by your doctor

Save time by E-signing documents & consents

Speed up verifying insurance by submitting it ahead of time. You can even upload a photo of your insurance card!

Skip paying during your visit and easily pay your copay online, if one is due
