## MARCH 28 & 29, 2022

# ADOS-2 INTRODUCTORY TRAINING

*This training will be provided in a virtual online format.*

This two-day training will teach you to administer, assess, and diagnose autism spectrum disorders (ASD) using the Autism Diagnostic Observation Schedule, Second Edition (ADOS-2). You will have the opportunity to practice scoring and watch as an experienced training leader administers the ADOS-2 to a child with ASD. This training is designed for professionals unfamiliar with the ADOS-2 and will focus on Modules 1-4. Participants are required to have their ADOS-2 Manual. ADOS protocols and DVDs will be provided.

For additional questions, contact Bonnie Corbin: [bcorbin@rchsd.org](mailto:bcorbin@rchsd.org).

Continuing education hours will be available upon completion of the ADOS-2 training.

### Accreditation

The University of California, San Diego School of Medicine (ACCME) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of California, San Diego School of Medicine designates this Live Activity for a maximum of 12.00 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

It is the policy of the University of California, San Diego School of Medicine to ensure balance, independence, objectivity, and scientific rigor. All persons involved in the selection, development and presentation of content are required to disclose any real or apparent conflicts of interest. All conflicts of interest will be resolved prior to an educational activity being delivered to learners through one of the following mechanisms 1) altering the financial relationship with the commercial interest. 2) altering the individual's control over CME content about the products or services of the commercial interest, and/or 3) validating the activity content through independent peer review. All Persons are also required to disclose any discussions of off label/unapproved uses of drugs or devices. Persons who refuse or fail to disclose will be disqualified from participating in the CME activity.

Participants will be asked to evaluate whether the speakers outside interest reflect a possible bias in the planning or presentation of the activity. This information is used to plan future activities.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education, and cultural linguistic competency.

A full refund less \$ 50.00 will be allowed if requested by March 7th, 2022. No refunds will be allowed after this date. In the unlikely event that this program is cancelled, Rady Children's Hospital-San Diego is responsible only for a full refund of the registration fee.

### LOCATION:

Virtual Online Training

### PROGRAM HOURS:

8:00am-4:00pm

### REGISTRATION:

\$525.00

Early Registration:

(before February 1, 2022): \$500

- 10% off total registration for organizations of five or more
- Register at: <https://www.rchsd.org/autism>

### OBJECTIVES:

- Demonstrate a basic understanding of how to administer and score the ADOS 2
- Explain issues in the clinical application of ADOS-2 results
- Describe use of ADOS-2 for operationalizing diagnostic criteria for ASD

### SPONSORS:

- Rady Children's Hospital –San Diego
- University of California, San Diego School of Medicine

\*Proceeds from this course may support continuing education for staff at the Autism Discovery Institute.

### TRAINING LEADER

**THEMBA CARR, PH.D.**

Health Sciences Clinical Professor,  
Non Salaried –UCSD San Diego  
Licensed Clinical Psychologist  
Rady Children's Hospital San Diego  
Dr. Carr specializes in the assessment and diagnosis of ASD. She has used the ADOS extensively in research and clinical settings and conducted frequent ADOS trainings across the U.S.

Planning Team:  
Bonnie Corbin

## **Fees**

Early Registration: \$500

Registration after February 1<sup>st</sup>, 2022: \$525.00

Training cost is for the complete 2-day course, including all training materials (excepting the ADOS-2 manual, which participants are required to self-purchase). Organizations registering five or more participants qualify for a 10% discount off total registration cost provided that all registrations are paid with one credit card authorization or check.

## **Refund Policy**

Cancellations received less than 14 working days before the start date will be subject to a \$50.00 administrative fee. A written request for cancellation is required.

## **Training Materials**

Upon confirmation of registration, each participant will be e-mailed training information. Some training materials will be accessed through a drop box system that will be available to participants 2/28/22-04/30/22. Other materials will be mailed directly to each participant.

## **Required Materials**

Participants are required to bring an ADOS-2 manual to the training. The manual can be purchased at [www.wpspublish.com](http://www.wpspublish.com). Product number: W-605M.

## **Continuing Education Hours**

Continuing education hours will be available upon completion of the ADOS-2 training.

The University of California, San Diego School of Medicine designates this Live Activity for a maximum of 12.00 AMA *PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## **Schedule**

A complete schedule will be included along with the training materials. Participants should plan on attending the entirety of the training, scheduled from 8:00 am to 4:00 pm each day.
