4. Click on ‘Add a Study’

AMBRA

Studies Messages

Studies

+ Add a Study

No studies found.

5. Click on ‘Choose File...’

Upload Studies to

Choose files to be scanned and verified

Choose File...

6. Images must be in DICOM format with a file extension of *.dcm*. These images can be on a CD/DVD or on a local drive of your computer.

7. Check the box to the left of the study you wish to share and then select “Upload Selected Studies”.

8. Once the images are uploaded, Click on the “Back to Studies” button.

Congratulations, your image files were uploaded

9. Click on Images (Eye Icon) to verify that the images are viewable.

10. Once you have verified that you can see that images, click on the “X” on the top right of the image.
