Beginnings

Provide resources families need to make informed decisions for their children

[For Parents – Beginnings \(ncbegin.org\)](http://ncbegin.org)

California Hands & Voices

California Hands & Voices is dedicated to supporting families with children who are Deaf or Hard of Hearing in a respectful and non-judgmental manner regarding language opportunities, communication tools or educational approaches. We're a parent-driven, non-profit organization providing families with the resources, networks, and information to improve communication access and educational outcomes for their children.

National Association of the Deaf

The National Association of the Deaf (NAD) is the nation's premier civil rights organization of, by and for deaf and hard of hearing individuals in the United States of America. Established in 1880, the NAD was shaped by deaf leaders who believed in the right of the American deaf community to use sign language, to congregate on issues important to them, and to have its interests represented at the national level.
