

## **Coronavirus/COVID-19 Alert**

Please view <https://www.rchsd.org/health-safety/health-alerts/> Coronavirus information before coming to the hospital or clinic if you, your child or anyone in your household is sick. Rady Children's Hospital, clinics and primary care affiliates are currently screening patients or family members who are experiencing symptoms that could be consistent with COVID-19.

Por favor consulte la <https://www.rchsd.org/health-safety/health-alerts/> información sobre Coronavirus antes de ir al hospital o a la clínica si usted. Rady Children's Hospital, las clínicas y las filiales de atención primaria están, actualmente, evaluando pacientes o familiares que experimentan síntomas que pudiesen ser consistentes con COVID-19.
