SEPTEMBER 29 & 30, 2022 ADOS-2 VIRTUAL INTRODUCTORY CLINICAL WORKSHOP

This workshop will be provided in virtual format.

This two-day workshop provides knowledge of and experience with the administration and scoring of the Autism Diagnostic Observation Schedule, Second Edition (ADOS-2). Participants have the opportunity observe and practice scoring as an experienced ADOS-2 trainer administers the measure to a child with autism. This workshop is designed for professionals unfamiliar with the ADOS-2 and will focus on Modules 1-4. Participants are required to have their own ADOS-2 Manual. ADOS-2 protocols and access to additional video administrations will be provided. Continuing education hours will be available upon completion of the ADOS-2 workshop. *For questions, contact Bonnie Corbin: bcorbin@rchsd.org.*

Accreditation

The University of California, San Diego School of Medicine (ACCME) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of California, San Diego School of Medicine designates this Live Activity for a maximum of 12.00 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

It is the policy of the University of California, San Diego School of Medicine to ensure balance, independence, objectivity, and scientific rigor. All persons involved in the selection, development and presentation of content are required to disclose any real or apparent conflicts of interest. All conflicts of interest will be resolved prior to an educational activity being delivered to learners through one of the following mechanisms 1) altering the financial relationship with the commercial interest. 2) altering the individual's control over CME content about the products or services of the commercial interest, and/or 3) validating the activity content through independent peer review. All persons are also required to disclose any discussions of off label/unapproved uses of drugs or devices. Persons who refuse or fail to disclose will be disqualified from participating in the CME activity.

Participants will be asked to evaluate whether the speakers outside interest reflect a possible bias in the planning or presentation of the activity. This information is used to plan future activities.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education, and cultural linguistic competency.

A full refund less \$ 50.00 will be allowed if requested by September 15, 2022. No refunds will be allowed after this date. In the unlikely event that this program is cancelled, Rady Children's Hospital-San Diego is responsible only for a full refund of the registration fee.

UC San Diego
SCHOOL OF MEDICINE

LOCATION

Virtual Workshop

PROGRAM HOURS:

8:00am-4:00pm (PST)

REGISTRATION

\$525.00

Early Registration

(before September 1, 2022): \$500

- 10% off total registration for organizations of five or more
- Register at: www.rchsd.org/autism

OBJECTIVES:

- Demonstrate a basic understanding of how to administer and score the ADOS 2
- Explain issues in the clinical application of ADOS-2
- Describe use of ADOS-2 for operationalizing diagnostic criteria for ASD

SPONSORS:

- Rady Children's Hospital – San Diego
- University of California, San Diego School of Medicine

*Proceeds from this course may support continuing education for staff at the Autism Discovery Institute.

WORKSHOP LEADER THEMBA CARR, PH.D.

Licensed Clinical Psychologist
Health Sciences Clinical Professor, Non Salaried
–UCSD San Diego
Autism Discovery Institute, Rady Children's
Hospital San Diego

Dr. Carr specializes in the assessment and diagnosis of ASD. She has used the ADOS-2 extensively in research and clinical settings and conducted frequent ADOS-2 workshops across the U.S.

Planning Team: Bonnie Corbin

Fees

Early Registration: \$500

Registration after September 1st, 2022: \$525.00

Workshop cost is for the complete 2-day course, including all workshop materials (excepting the ADOS-2 manual, which participants are required to self-purchase). Organizations registering five or more participants qualify for a 10% discount off total registration cost provided that all registrations are paid with one credit card authorization or check.

Refund Policy

Cancellations received before the start date (September 1, 2022) will be subject to a \$50.00 administrative fee. A written request for cancellation is required. No refunds will be allowed after this date. In the unlikely event that this program is cancelled, Rady Children's Hospital-San Diego is responsible only for a full refund of the registration fee.

Workshop Materials

Upon confirmation of registration, each participant will be e-mailed workshop information. Some workshop materials will be accessed through a SFTP box system that will be available to participants 9/12/22- 10/30/22. Other materials will be mailed directly to each participant.

Required Materials

Participants are required to bring an ADOS-2 manual to the workshop. The manual can be purchased at www.wpspublish.com. Product number: W-605M.

Continuing Education Hours

Continuing education hours will be available upon completion of the ADOS-2 workshop.

The University of California, San Diego School of Medicine designates this Live Activity for a maximum of 12.00 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Schedule

A complete schedule will be included along with the workshop materials. Participants should plan on attending the entirety of the workshop, scheduled from 8:00 am to 4:00 pm each day.

Registration
