

Afternoon with Rufus

Saturday, January 11, 2025

1:00 pm-3:00 pm

Rady Children's Education & Office Building

Join Breakthrough T1D and Rady Children's Diabetes Clinic for a fun afternoon with our friend Rufus the Bear. Enjoy craft stations, games, and snacks, and a chance to meet others in the area living with type 1 diabetes. Kids of all ages are invited to bring their Rufus Bear or any special stuffed friend for a wellness check-up and a certificate of good health. This is a FREE event for the T1D community but we ask that you RSVP.
