

T1D TRANSITION EVENT

For Teens ages 15-18

Join us for an informative event for parents and teens with T1D, transitioning to adult healthcare. A great opportunity for teens to learn to take an active role in managing their health and build a relationship with an adult healthcare provider.

**SATURDAY, MARCH 29, 2025
1:00-3:00 PM**

**Rady Children's Hospital
Education Office Building
7960 Birmingham Dr. San Diego, CA. 92123**
