Thank you for choosing Rady Children's Health – San Diego for your child's cardiology care.

We are writing to inform you that **Dr. Howaida El-Said will be leaving Rady Children's Health – San Diego**, effective **April 30, 2026**, and will no longer be providing care at Rady Children's after that date.

We are committed to ensuring a smooth transition of care for your child. Your child will be **reassigned to another cardiologist within the Rady Children's Cardiology Department**, and care will continue without interruption. All medical records and care plans will remain within Rady Children's Health to support a seamless transition.

If you have questions or would like assistance during this transition, please contact the Cardiology administrative office at **858-966-5855** or send us a message through the **MyChart Portal**.

Thank you for your continued trust in Rady Children's Health – San Diego.

**Sincerely,**  
Rady Children's Health – San Diego  
Cardiology Department
